

## MKT Setup Version 12.2 Release Notes

This document describes the changes that have been performed to MKT Setup for each specific release.

### Supported AccountMate Versions

Determine your AccountMate version before using MKT Setup. Check our web site [www.baileyen.com](http://www.baileyen.com) to get the latest information about supported versions and product updates.

The following AccountMate versions are supported by MKT Setup:

- AccountMate LAN Version 6.50
- AccountMate SQL Version 6.04a through Version 6.08a
- AccountMate SQL Version 7.01a through Version 7.06a
- AccountMate SQL Version 8.01a through Version 8.03a
- AccountMate SQL Version 9.01a through Version 9.04a
- AccountMate SQL Version 10.01a through Version 10.04a
- AccountMate SQL Version 11.1a through Version 11.2a
- AccountMate SQL Version 12.1a through Version 12.2a

If you have a version that is not listed above do not use MKT Setup against your company data and contact our Technical Support staff at [info@baileyen.com](mailto:info@baileyen.com) or call us at 707-495-5704.

If you have any questions regarding the changes listed in this document please contact our Technical Support Department [info@baileyen.com](mailto:info@baileyen.com) or 707-495-5704.
